*Every CHILD and FAMILY deserves to be saved...*

**Dear Friend/s,**

Greetings in His Mighty Name! First let us introduce ourselves. We, **Emmanuel Youth and Family Mission Services, Inc.**, are a non-profit Christian organization based on Corona, CA whose main beneficiaries are the needy youths and families of our community. Our mission is to make a difference in their lives by somehow alleviating their sufferings hand in hand with presenting to them the message of Christ's love and His saving grace.

We are standing together with other Christian organizations and institutions with this mission, and we are very much inspired by their commitment.

However, on our part, our existing programs will complement and support better what they have been doing in behalf of the youths and families of our community. If you want to know more about our programs, please visit our website at [www.redeemfamily.org](http://www.redeemfamily.org)

Since last year, we started to pray for the establishment of programs that will minister to these youths and their families more effectively. We found out that more than fifty percent (50%) of our youth and their families are in some form of crisis and need immediate help. God laid in our hearts that we must create a Christian toll-free help line supported by a Christ-compassionate and innovative Christian social services programs that would give them easy access to the help that they need; be it a helpline, intervention, food, etc. In order to achieve this, we have to raise our own funds and not only depend on government assistance to carry out these programs

It is with great eagerness, that we are appealing to you for any amount of monetary donation in this great endeavor the Almighty God has graciously opened to us.

We would appreciate a donation of \$15.00 or more to raise the funds that we need to make the programs run smoothly. It is our prayer that you may feel the burden that God had laid in our hearts, and the hearts of others, not to be complacent in sharing His love to those who need it the most.

If you or your company can help in any way, it will be greatly appreciated and you can be sure your investment will have an impact in the lives of young people and their families. Everything you donate is 100% tax deductible and proper receipts will be given. Thank you so much for your time and consideration of this request.

You may send your donation directly to us at P.O. Box 6063 Norco, CA 92860. We will be waiting for your response.

God bless you,

**Anabelle Heckathorn**
